

CUNA has the resources
to help your small credit union grow in a

BIG Way!

Use these scholarships, discounts and low-cost resources

As a small credit union, you play an important role in the lives of your members and in the credit union movement. Credit Union National Association is committed to helping you stay strong and viable. Take advantage of these resources to grow your knowledge, plan for the future and improve your operations.

Under \$50 Million

CUNA Councils Membership and Scholarships

Gain access to the expertise, knowledge and resources of more than 4,750 credit union colleagues with a membership to one of the six CUNA Councils. If your credit union has less than \$50 million in assets, you can join for only \$95 a year. Plus, many of the CUNA Councils offer scholarships of up to \$2,500 to be used for Council conferences and selected CUNA schools.

Under \$35 Million

2009-2010 Small CU Staff Salary Survey Report PDF

Get the facts to guide your compensation decisions for only \$95! This report gives you salary data and job descriptions for 30 full-time and eight part-time positions in credit unions of \$35 million or less in assets. Stock #28809P.

Under \$20 Million

Credit Union Front Line Newsletter

Empower staff to improve service and sales. This newsletter is packed with sales strategies, fraud-prevention tactics and examples of outstanding member service. An annual subscription for six copies per month is only \$163 for credit unions with \$20 million or less in assets.

Under \$10 Million

CUNA Webinars

Now it's easy to learn without leaving your desk. CUNA offers \$50 discounts on every webinar to credit unions with \$10 million or less in assets.
